Almost 1 year ago on 17 October, 2018 the Queensland Parliament passed the Termination of Pregnancy Act, one of the most extreme and brutal abortion laws in the western world.

50 MPs voted for the Bill, 41 MPs voted against it.

Queensland's abortion laws can be summarised as:

- 1 Abortion 'on request', i.e. an abortion is granted no questions asked, to 22 weeks gestation.
- 2 Abortion past 22 weeks up to birth is legal under very loose criteria including 'social' reasons.
- 3 Sex-selective abortion is legal.
- 4 Doctors with a conscientious objection to abortion are compelled to refer for abortion.
- 5 There are no safeguards for women considering abortion like independent counselling.
- 6 There is no legal protection for babies born alive in failed abortions - these babies are left to die.
- 7 There is no requirement that a baby be anaesthetised prior to a termination.
- 8 150 metre exclusion zone around abortion clinics - even quietly praying outside an abortion clinic can lead to 1 year in jail.

**THIS LAW IS SO EXTREME IT HAS EVEN LEGALISED ABORTING LATE AND FULL-TERM HEALTHY BABIES OF HEALTHY WOMEN. SHAME.**

**WE ARE RESOLUTE THESE LAWS WILL NOT STAND.**

Please come along and bring your family and friends. It will be a family-friendly event.
